EDUCATION

2013-2014 OUTREACH

The Science Outreach Department served **a record-breaking 69,475 people**. Science outreach traveled to 56 Iowa counties, parts of Illinois and Wisconsin. At home, the Outreach Department partners with the Waterloo Community School District through STEM Enrichment in the Classroom, Hoover Middle School Observatory, Cedar Valley Family STEM Festival, and the Waterloo Middle School Science Fair.

MUSEUM SCHOOL

"Museum School" is an innovative program that invites local third grade students to attend "school" at the Grout Museum District for five full days. Students take an in-depth look at Cedar Valley history through living history presentations, exhibit tours, and hands-on activities. Immaculate Conception in Gilbertville was added to the Museum School this year.
