CORPORATE MEMBERSHIP PROGRAM

Dear Friends,

The Grout Museum District has launched a Corporate Membership program and we want your business to be one of the first to take advantage of this new opportunity. As a Corporate Member your company will realize the following benefits:

- A company membership card to share with your employees for free admission to the District's four sites and discounts at the Museum District Gift Shops
- Discounts on individual memberships for your employees
- Recognition in *Collections* (the Museum District newsletter) and the annual report
- Additional benefits for higher-level memberships

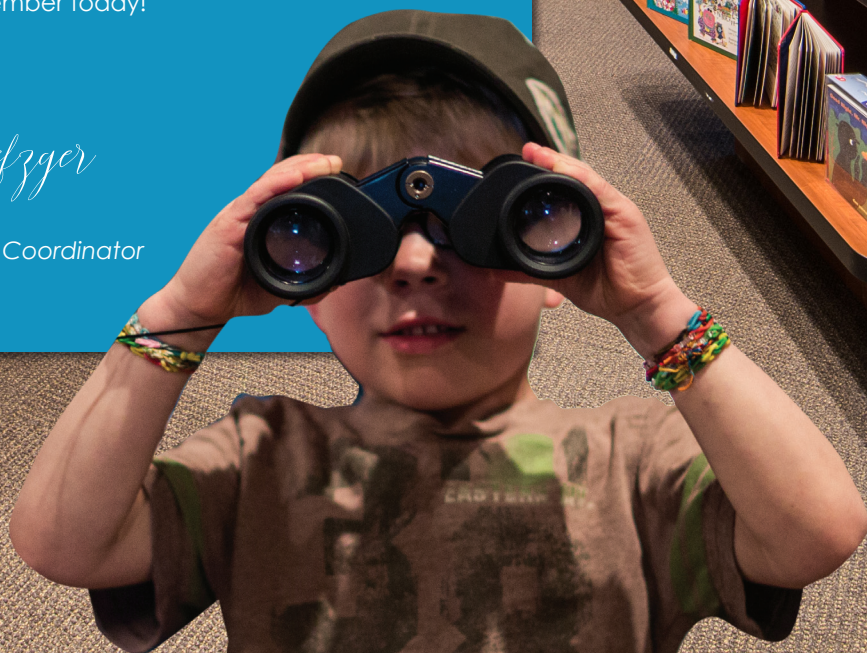

The Corporate Membership program allows your business to support the Grout Museum District in providing a place for recognition of our veterans, STEM education for our children, and the preservation of our history.

Make an impact in our community, become a Corporate Member today!
