## TESTIMONIALS:

"I just wanted to thank you for the opportunity to host our first Military Reunion at the Iowa Veterans Museum. The staff was extremely helpful in getting this reunion organized from day one. The Iowa Veterans Museum was a great atmosphere for my fellow Marines and our loved ones. Thanks again for your hospitality."

*- Bryant Ward, Operation Desert Storm, United States Marine Corps*

"Our last Iwo Jima Reunion at the Iowa Veterans Museum was our best one yet! They organized a luncheon for us, put together a nice slide show with some of my old pictures, provided us with a guided tour and that's not all. I asked for name tags, they were made. I needed some extra tables for my memorabilia, they appeared. Everything we asked for we got. It was a wonderful day, and everyone I have talked to since has said how well everything was handled from the beginning to the end."

*-Dave Greene, WWII Veteran, United States Marine Corps*

"We were really impressed with the way the Iowa Veterans Museum was developed and presented. The Civil War Display was one of the best we've ever seen and the personal interviews with Iowa Veterans were outstanding. The tragedy of the Sullivan Brothers was done in good taste with an insight into their civilian lives and their short Navy careers. Thank you again for providing the lunch! It was delicious!"

*-William A. Kunzman, United States Army*
