SEPTEMBER 7 - ROCKETS AWAY

IMAGINARIUM

Try your hand at constructing different types of rockets. Explore the science of rocketry and space travel. Dive into the forces of flight, and take a look at the past, present and future of space travel.

Registration Deadline: August 31

OCTOBER 5 - "CURRENT" EVENTS

IMAGINARIUM

Learn the basics behind some "shocking" science using Van de Graaf generators, Leyden jars, Tesla coils, and everything in between. Test out static electricity, make your own electrical circuits, shock your friends with electrical charges, and learn about some of the amazing scientists who helped us understand the wonders of electricity.

Registration Deadline: September 28

NOVEMBER 2 - WE THE PEOPLE

GROUT MUSEUM

In the spirit of the 2016 presidential election, students will learn about the processes that run the government of the United States. Examine the Constitution and learn about the different branches of government.

Registration Deadline: October 26

DECEMBER 7 - PEARL HARBOR ANNIVERSARY

GROUT MUSEUM

Commemorate the 75th anniversary of the attack on Pearl Harbor. Learn about the "date that will live in infamy." Explore how a surprise attack in Hawaii led a group of five brothers from Waterloo, Iowa to make the ultimate sacrifice for their country.

Registration Deadline: November 30

JANUARY 4 - ACROSS THE UNIVERSE

IMAGINARIUM

Explore the history of planet Earth and all of the planets in our solar system. Investigate how the Sun compares to other stars in the sky. Make observations about the "dark" and "light" sides of the moon, and learn all about the patterns made by the sun, moon, and stars.

Registration Deadline: December 28

FEBRUARY 1 - N.E.W. CHALLENGE

IMAGINARIUM

Work together with your friends to solve a series of engineering challenges while applying the engineering process. Ask questions, make observations, and gather information needed to solve each assigned challenge.

Registration Deadline: January 25

MARCH 1 - CELEBRATING DR. SEUSS

GROUT MUSEUM

Celebrate the life and times of Theodor Geisel, better known as Dr. Seuss. Learn about classics such as *The Cat in the Hat* and *Green Eggs and Ham*, and hear stories about his days working for the US Army animation department during WWII.

Registration Deadline: February 22

APRIL 5 - THE WAR TO END ALL WARS

GROUT MUSEUM

Commemorate the 100 year anniversary of the United States' entrance into WWI, "the war to end all wars." Investigate the events that led to a global war and the United States entry into the war. Explore technological advances that came to define the conflict, including the tank, airplane, machine gun, and trench warfare.
